Retrenchment Due to Covid-19

Many businesses have been drastically impacted by the recent reinstatement of the conditional movement control order ("CMCO"). As a result, some businesses have opted to retrench their employees to prevent insolvency. However, the question is can they do so?

Vide this webinar, participants will understand the prerequisites for a retrenchment during the Covid-19 pandemic. The best practices for responsible retrenchment, organisational restructuring and retrenchment benefits will also be discussed. There will also be a discussion on managing wrongful dismissal and constructive dismissal claims arising from employers' organisational restructuring and retrenchment.
